Kasib Zinar

Front-End Developer | UI/UX Enthusiast

Khost, Afghanistan
Email: kasibgulzadran533@gmail.com | GitHub: github.com/kasibzinar | LinkedIn: linkedin.com/in/Kasib Zinar

Professional Summary

Creative and detail-oriented Front-End Developer with a passion for building responsive, user-centered websites and web applications. Skilled in transforming Figma designs into pixel-perfect code using HTML, CSS, and JavaScript. Known for delivering clean, accessible code, intuitive UI/UX, and an eye for design consistency. Actively seeking opportunities to contribute to real-world projects and grow as a full-stack developer.

Technical Skills

- Languages & Tools: HTML5, CSS3, JavaScript (ES6+), Git, GitHub
- Frameworks & Libraries
- Design Tools: Figma
- Others: Responsive Design, CSS Flexbox & Grid, Git Version Control, Deployment (GitHub Pages)

Projects

Personal Portfolio Website

A responsive, modern portfolio built from scratch showcasing my projects, skills, and resume. Includes light/dark mode toggle, smooth navigation, and section-based layout.
Tech Used: HTML, CSS, JavaScript, GitHub Pages
Live Demo: https://yourportfolio.link | GitHub: https://github.com/samiullah-safi/portfolio

Crypto Dashboard

Designed and developed a stylish crypto dashboard with live price components and market overview section inspired by a Figma template.
Features: Sidebar layout, grid design, and reusable components
Tech Used: HTML, CSS
GitHub Repo: https://github.com/kasibzinar/crypto-dashboard

ShopCo E-Commerce

Built a clean e-commerce frontend landing page based on Figma UI/UX design. Responsive and scalable with component-based structure.
Tech Used: HTML, CSS, Flexbox, Grid
GitHub Repo: https://github.com/samiullah-safi/shopco-ecommerce
